

# Federal Direct Student Loan 2016-2017 Interest Rates

DEPARTMENT OF EDUCATION LOAN SERVICING

Knowing and understanding the interest rates of your federal student loans is an important step in navigating the path to financial success.

## Who sets interest rates for federal student loans?

Congress sets interest rates on Direct Loans from the U.S. Department of Education through legislation that ties the rate to financial markets. Your student loan servicer does not set your student loan interest rate and cannot change it.
